Jean Arellano

"I truly love owning *Vanity Fur* in my hometown. My groomers stay pretty close to home and there is continued demand for farther outlying areas. I have decided to franchise to help me grow faster, and to help aspiring mobile pet grooming owners start, launch and expand more quickly.

My goal is to have 4 to 10 mobiles on the road in each market, but to have owners start with their comfort level. Begin with a single mobile and add on as your first mobile pet salon and groomers are fully booked.

Learn more about *Vanity Fur*, my ideas for the future growth and how you can be a part of this amazing, respected and sought-after brand."
